

Bilingual Educators Succeeding Together (BEST) Awards

STUDENT WRITING CONTEST

For High School Seniors

The Student Writing Contest for the BEST Awards will focus on the many advantages of being bilingual and is based on the California Association of Bilingual Educator's theme: "***Embracing Multilingualism: From Policy to Powerful Practices.***" The prompt for the writing contest is: "***Why is being bilingual and biliterate important for you and your family, now and in the future?***" Students are encouraged to approach this writing contest in an imaginative and meaningful manner, expressing themselves in English. Teachers can assist students in focusing on the prompt by exploring how being bilingual and using their creative bilingual voices will enhance their opportunities for learning, career, leadership, self-esteem, as well as the development of their cultural legacy. The use of the writing process is encouraged (prewriting, sharing, revising, editing, and publishing) developing a meaningful and expressive literary piece. Each literary piece should focus on the prompt and demonstrate final editing quality.

All students who enter the writing contest will be acknowledged for their efforts and will be notified in February 2018. Contest winners will be selected by the BEST Awards Committee, based on the following criteria:

- Content: How well the writing addresses the prompt.
- Language: The use of expressive, authentic, rich language.
- Genre: Essay, narrative, or autobiography.
