

November 27, 2017

Dear Nurses, School Administrative Staff, Kitchen Staff and parents of children with dietary needs,

The Food Service Department is pleased to introduce My School Menus™ interactive online menus. My School Menus™ allows easy access to complete nutrition information for the school meal programs 24 hours a day, 7 days a week, 365 days a year.

### Features of My School Menus™

- Nutrient Data by Menu item - hovering over a menu item will show nutrient data
- Build-a-Meal Nutrient Data - choose build-a-meal to get totals of individual nutrients for all items chosen by a student
- Ingredient information for certain menu items
- Complete list of all food choices available to students
- Allergen identification - allergen filter to strikethrough foods containing the following allergens: wheat, soy, eggs, fish, peanuts, tree nuts, milk
- Attribute identification - symbols identifying foods as GMO free, kosher, gluten-free, vegan, vegetarian, locally grown, made from scratch
- Translation to 180 languages using Google Translate
- Links to Child Nutrition sites like prepayments, applications and policies
- Information about Child Nutrition

You can access My School Menus™ by going to the following link:  
[banning.healtheliving.net](http://banning.healtheliving.net)

The Food Service Department is excited to offer My School Menus™ as a valuable nutrition resource. Please let us know if you need any additional information on how to use this information to support your students' specific nutrition needs.

Regards,

Reanna Liversage, Nutrition Technician
