## DUAL ENROLLMENT PROGRAM

(Partnership with Mt. San Jacinto Junior College)

The purpose of the MSJC-Banning Unified School District Dual Enrollment Partnership is to afford current high school students the opportunity to enroll in dual-credit courses to expand student access to affordable higher education, providing challenging academic and occupational experiences to qualified high school students during their junior and senior years, and reduce the costs of a college education for students and their families. Successful completion of transfer courses will enable students to simultaneously earn college credit transferable to two and four year colleges and universities and satisfy high school graduation requirements. Successful completion of occupational courses will allow students to simultaneously earn college credits, to satisfy high school graduation requirements, and to assist in the transition to the community college or job opportunities or careers.
