

What is Web 2.0?

“The term Web 2.0 is associated with web applications that facilitate participatory information sharing, interoperability, user-centered design, and collaboration on the World Wide Web,”
from Wikipedia (a Web 2.0 site).

“Interaction is the key—we are no longer consumers of websites, we are producers!”
from Brittney (a Web 2.0 junkie).

Web 2.0 Advice

1. Always use your school email address to sign-up.
2. Look for education versions of the tool!
 - a. For Example:
 - i. Animoto @ <http://animoto.com>

Sign up for the free [Animoto for Education](#) account for you and your students!
 - ii. Kerpoof @ <http://www.kerpoof.com/>

Sign up for the free [Kerpoof Scholastics](#) account for you and your students!
3. Require students use their GAGGLE email to sign-up or have their parent sign up for them.
